To whom it may concern

RE: PHILLIP BEST PLUMBING

Phillip Best Plumbing currently holds the Plumbing Maintenance Service contract with the City of Bunbury and a service contract for the South West Sport Centres pool operating systems and boilers.

During this contract period they have proven to be a very professional, reliable and honest company to deal with.

They have demonstrated a high level of knowledge and experiences in identifying and rectifying all aspects of roof plumbing, gas works, general plumbing and drainage issues to the City's buildings and infrastructure.

They have recently completed the design and major installation of new sewer and water services to support the construction of the Hay Park Multi Sports Pavilion.

The City also utilise Phil & Julie Bests Building and Construction division on a regular basis in attending to various building maintenance issues and I am happy to recommend Phil Best Plumbing to any business or organisation.

Yours faithfully
