Dear Sir/Madam

In our extremely busy hospitality industry we have had many years of exceptional service from Phillip Best Plumbing and his awesome team. Phil Best have been exceptional in their dealings with us on a daily basis to ensure our plumbing and gas needs are met with expertise, promptly and with exceptional customer service.

They are accurate in their diagnostic capabilities and knowing our continual need for our equipment to be running efficiently and continually they assure us the attention we require with utmost urgency. We are confident in all that he does for our Café's, from gas works to plumbing complications etc.

We require Phil Best and his team to ensure while on site to always keep to Health and Safety standards to ensure our valued customers are not inconvenienced and safe at all times which they do with ease and a smile on their faces.

We have enjoyed a long and mutually beneficial association with Phillip Best Plumbing and we are confident this wonderful relationship will continue into the future.

Yours faithfully
