To whom it may concern,

Phillip Best Plumbing has been doing the work at The Prince of Wales Hotel Bunbury for over 25 years, with my association with this plumbing business over the past 15 years.

Throughout this time, Phillip Best Plumbing has assisted our Hotel in many projects and provided reliable and efficient plumbing services to our establishment, including repairs and servicing of our appliances and was involved in our renovation of our top section of our premises.

Phillip Best Plumbing provides a professional, value for money service. Phill is always approachable and willingly forthcoming with suggestions for improvement or innovation with the best interests of my business in mind.

Yours Truly
